

Over academic year - 25 - 29 sessions plus exams, assessments, revision, etc

Each session is a 30 min video

Starting point is scheme of work; - from syllabus; 30 - 40 points in the **syllabus**; (need this in as standard - pts need to vanish once selected); also needs a location field - i.e. fieldwork/ trip; classroom; external activity (need to specify location); need a **tools field** - e.g. **paper, computer, phone**

Lesson plan needs to include maths/ English; ICT; British values; career; field for each week; - need to suggest possible uses of each field - e.g. if talking nutrition can suggest halal discussion

Scheme -> populate ppt; - extract lesson plan from ppt;(submit plan to DFE);

Lesson plan follows TMC template - make a note in sq brackets to denote where text goes in tmc; note is single char or number;

[C] - connect

[R] - reflection

[T] - teacher/ tutor led

[L] - learner-led

[?] - direct questioning

Find keywords - multimedia, debate, poster, report, feedback, etc.

British values - democracy, rule of law, individual liberty, mutual respect, tolerance.

Users want:

- Structure
- Formative assessment suggestions/ quizzes (collated from questions used in lessons)
- Automated testing & marking
